At JourneyEast, we can expect industrial chic at its best via reclaimed wood from discarded boats and recycled galvanised iron pipes – all transformed into seriously chic furniture. Each piece transpires beauty in all its imperfections via small nail holes, cracks and old joints.

Blue Crush. Recycled denim transformed into upholstery for armchair and ottoman, available at **JourneyEast**.

Groovy Retro. Coffee table available at **JourneyEast**.

# Down to Earth

Eco-friendly furniture doesn't have to look drab and boring. We round up some stylish pieces that will do a greenie home proud.

Go industrial chic with this shelving unit made of recycled galvanised iron pipes. Ferum shelves available at **JourneyEast**.

Solid and Sleek. Weather beaten teak coupled with iron bolts and bars, make a super chic design classic. Eight-seater dining table is available at **JourneyEast**.
